DECLARATION OF RESTRICTION
FOR OUTDOOR RECREATION OR
PARK USE

WHEREAS, by instrument bearing date the 20th day of December, 1984, THE DELTONA CORPORATION, a Delaware corporation, authorized to transact business in the State of Florida, and THE BOARD OF COUNTY COMMISSIONERS OF WASHINGTON COUNTY, FLORIDA, entered into a Renewal of Covenant of Outdoor Recreation or Park Use as recorded on January 4, 1985 in Official Records Book 208, at Pages 03 through 45, inclusive of the Public Records of Washington County, Florida, as amended June 2, 1986 by a Modification of Covenant of Outdoor Recreation or Park Use, as recorded on June 6, 1986 in Official Records Book 226, at Pages 577 through 579 inclusive of the Public Records of Washington County, Florida, said instruments being hereinafter collectively referred to as the "Covenant", which Covenant affects those certain lands owned by The Deltona Corporation, lying in the County of Washington, State of Florida, being more particularly described therein, hereinafter referred to as the "Covenant Property".

WHEREAS, by Warranty Deeds bearing dates the 27th day of December, 1984 and the 5th day of June, 1987, The Deltona Corporation and Deltona Land & Investment Corp, a Florida corporation and wholly-owned subsidiary of The Deltona Corporation did convey portions of the Covenant Property to Washington County, a political subdivision of the State of Florida, as recorded in Official Records Book 209, Page 148 et seq., and Official Records Book 209, Page 153 et seq., and Official Records Book 235 Page 1322 et seq., respectively, all of the Public Records of Washington County, Florida.

WHEREAS, by Warranty Deed bearing date the 17th day of August, 1987, Deltona Land & Investment Corp. did convey portions of the Covenant Property to Camp Omni, Inc., a North Carolina not-for-profit corporation, as recorded in Official Records Book 235, Page 1733 et seq., of the Public Records of Washington County, Florida.

WHEREAS, contained within a portion of the Covenant Property is a cemetery, which was pre-existing to the Covenant, lying in and being a part of Section 8, Township 2 North, Range 13 West, Washington County, Florida,

being more particular described on Exhibit "A" attached hereto and by reference made a part hereof.

WHEREAS, the Covenant Property, less those portions conveyed by The Deltona Corporation, and its subsidiary as heretofore described, remains subject to the terms and conditions of the aforesaid Covenant.

WHEREAS, the Covenant incorporates by reference therein that "the property shall not be used by Covenantor (Deltona) for any purpose other than outdoor recreational or park purposes as contemplated by Section 193.501 Fla. Stat., the terms of which are incorporated into and made a part of this instrument by reference,"

WHEREAS, The Deltona Corporation desires to assure access in perpetuity to the Covenant Property for the use and benefit of residents of the Sunny Hills community as hereinafter provided, or excepted.

NOW, THEREFORE, The Deltona Corporation, hereinafter referred to as the "Declarant" does hereby declare that: (1) Declarant is the owner of said Covenant Property (less those portions previously conveyed as described hereinabove); and (2) the Covenant Property, less and except that portion affected by the pre-existing cemetery as heretofore described, is restricted as hereinafter set forth; and (3) the restrictions and limitations set forth hereinafter shall be accepted as part of the consideration for any lease, agreement for deed or any deed of conveyance hereafter made pertaining to the Covenant Property and shall be one of the express conditions thereof; and (4) the restrictions and limitations set forth hereinafter shall be a covenant that runs with the land, to wit:

1. Use Restrictions

The Covenant Property and all portions thereof shall be perpetually accessible for outdoor recreational or park use by each and every owner of a lot, tract or parcel of land lying in and being a part of the respective plats of Sunny Hills, the recordings of said plats among the Public Records of Washington County being shown on Exhibit "B", attached hereto and by reference made a part hereof. The term "outdoor recreational or park use" shall include but not be limited to boating, golfing, camping, swimming, horseback riding and historical, archeological, scenic or scientific sites.

The Covenant Property and all portions thereof, is restricted to the sole uses set forth hereinabove and, without enlarging upon the said permitted uses or further intending to restrict or confine the Covenant Property, the said permitted uses shall not be deemed to include directly or indirectly the hunting of game, wildlife or fur-bearing animals, which activities shall be strictly prohibited, inasmuch as such uses are inconsistent with the definition of outdoor recreational or park use, and pose a public hazard to the health, safety and welfare of the residents of the Sunny Hills community.

In addition to the uses permitted hereinabove, said Covenant Property may be used for public utility services for the purposes of providing ingress/egress, over, across, through and beneath all of the lands hereinabove described, for the construction, installation, maintenance, inspection and use of existing and future drainage and utility services, including but not limited to water lines, wells, sewer, gas and all forms of telecommunications and cable services, or related appurtenances incidental to the health, safety and welfare of the public. Use of said covenant property for the providing of public utility services shall include the making of all best efforts to maintain the natural integrity of said property.

2. Building Restrictions

Buildings shall be permitted upon the Covenant Property, provided all above ground improvements are used exclusively to enhance enjoyment of the recreational nature of said property.

3. Well Water

The Covenant Property shall be limited to the installation and use thereon of wells for water, which may only be used for public utility systems, irrigation systems, sprinkler systems, swimming pools and air conditioning.

4. Easements

All easements for utilities, drainage and other related appurtenances affecting the Covenant Property as may be reserved, granted or conveyed by the Declarant by instruments hereinafter recorded from time to time among the Public Records of Washington County, Florida, shall be reserved as perpetual easements for maintenance and installation of utility

and drainage facilities as provided for on said instruments. Any wall, fence, paving, planting or any other improvement located in an easement area shall be removed upon the request of the Declarant, its successors or assigns or any public utility using said area, by or at the expense of the owner or owners of the property.

5. Drainage

No changes in elevations to the Covenant Property shall be made, which will interfere with surface water runoff, drainage or otherwise causes undue hardship on adjoining property.

6. Amendments to Restrictions

The Declarant or its successors or assigns, may in accordance with the conditions hereinafter set forth, amend any of the restrictions or limitations contained herein by filing an amended Declaration of Restrictions. The Declarant reserves the discretion to make any amendments hereto that it deems are reasonable and justified; however, the Declarant shall not propose or make any amendment to these restrictions inconsistent with the intent of this Declaration or which would materially injure or diminish the rights of any other property owner who may also be subject to this Declaration of Restrictions or to other similar Declaration of Restrictions affecting property within the Sunny Hills community whether recorded now or in the future. Furthermore, the Declarant may include in any Declaration of Restrictions, lease, agreement for deed, or any deed of conveyance hereinafter made, covering other covenant property within the Sunny Hills Community, any additional conditions, restrictions and covenants.

7. Excepted Lands

The matters set forth herein are intended to apply to all areas lying within the Sunny Hills Subdivision which are presently unimproved open space, and which were heretofore subjected to the effect of the above referred covenant. Notwithstanding the foregoing, none of the provisions of this Declaration of Restrictions are intended, nor shall they in any manner be construed as creating any additional burden or limitation upon the Sunny Hills Golf Courses lying and being Tracts "F", "G" and "H" of Sunny Hills Unit 6; and, Tracts "C", "E" and "F" of Sunny Hills Unit 10; and Tracts "A", "G", "J" and "R" of Sunny Hills Unit 16, the recording information of

aforesaid plats being more particularly shown on Exhibit "B" attached hereto and by reference made a part hereof, which remains subject only to the matters previously provided in Official Records Book 208, at Page 3, and Official Records Book 226, at Page 577, constituting the original Covenant and Modification of Covenant, respectively.

8. Definition of Successors or Assigns

As used in these restrictions, the words "successors or assigns shall not be deemed to refer to individual purchasers of property within the Sunny Hills community, but shall be deemed to refer to the successors or assigns of legal or equitable interests of the Declarant who are designated as such by an instrument in writing signed by the Declarant and recorded among the Public Records of Washington County, Florida, specifically referring to this provision of these restrictions.

9. Duration of Restrictions

These covenants and restrictions shall run with the land and shall be binding upon the undersigned and upon all permitted parties and persons owning or using the Covenant Property until January 1, 1995, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless by vote of a majority of the then owners of adjacent lands lying within a 1000 foot radius of said Covenant Property, it is agreed to change these covenants and restrictions in whole or in part.

10. Remedies for Violations

In the event of a violation or breach of any of these restrictions by any person or concern claiming by, through or under the Declarant, or by virtue of any judicial proceedings, the Declarant, its successors or assigns, and/or any lot, tract or parcel owner in the Sunny Hills community, or any of them jointly or severally shall have a right to proceed at law or in equity to compel compliance with the terms hereof or to prevent the violation or breach of any of them. In addition to the foregoing, the Declarant, its successors or assigns, shall have a right, whenever there shall have been built on the Covenant Property any structure which is in violation of these restrictions, to enter upon the property where such violation exists and summarily abate or remove the same at the expense of the owner, and such entry and abatement or removal shall not be

deemed a trespass. The failure to enforce any right, or condition contained in this Declaration of Restrictions, however long continued, shall not be deemed a waiver of the right to do so thereafter as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement.

11. Severability

Invalidation or removal of any of these covenants or restrictions by judgment, decree, court order or amendment by the Declarant, its successors or assigns, shall not affect any other provisions hereof which shall remain in full force and effect.

IN WITNESS WHEREOF, the Declarant has caused these presents to be executed by its proper officers, who are thereunto duly authorized, and its corporate seal to be affixed at Miami, Dade County, Florida, this 30th day of June, A.D., 1988.
